

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

AN ACT for the relief of certain of the Devises of Petrus Stuyvesant, deceased. Preamble.

Passed April 16, 1816.

WHEREAS Benjamin Winthrop and Judith his wife, Derick Ten Broeck and Cornelia his wife, Margaret Stuyvesant the younger, and Nicholas Fish and Elizabeth his wife, have, by their petition to the legislature of this state, set forth, that Petrus Stuyvesant, late of the city of New-York, now deceased, was, in his life time, seised in fee and possessed of certain lands herein after mentioned; and being so seised and possessed did, by his last will and testament, made and published in due form of law, for passing real estate, devise the said lands to his daughters, the before named Judith, Cornelia, Margaret and Elizabeth, as tenants in common, that is to say: As to the shares of the said Margaret and Elizabeth, in fee simple, and as to the shares of the said Judith and Cornelia, for their respective lives with certain remainders over; and did also by his said last will and testament, direct that his said daughters should, with all convenient speed after his decease, make partition of the said lands, in the manner in the said last will and testament directed; and that the said Petrus Stuyvesant afterwards died so seised and possessed of the said lands as aforesaid, and without having revoked or altered the said last will and testament, so far as the same related to the said devise and direction: And that in pursuance of the said last will and testament, partition hath been made of the said lands, in the manner therein directed: And that at the time of such partition the lands, together with the lands adjoining, were laid out into streets, according to a plan which had been theretofore made; and that in making the said partition, regard was had to the said streets; and that since the making of the said partition, a great part of the said

lands have been laid out anew into streets and avenues, by the commissioners appointed in and by an act, entitled "an act relative to improvements, touching the laying out of streets and roads, in the city of New-York, and for other purposes:" And that the streets and avenues, laid out by the said commissioners, pass through the said lands, in such directions, that if the said partition, so made as aforesaid, shall remain in force, the respective shares of the said petitioners in the said lands, will be greatly impaired in value; and that by reason of the estate in remainder, in the shares of the said lands of the said Judith and Cornelia, the petitioners cannot, without legislative aid, make a re-partition thereof; and praying that such provisions as are herein after contained, may be enacted for their relief: *And whereas*, it appears to the legislature, that the said representations are true, and that the prayer of the said petitioners is reasonable; Therefore,

Partition
annulled.

I. *Be it enacted by the people of the State of New-York, represented in Senate and Assembly*, That the partition heretofore made, in pursuance of the last will and testament of the said Petrus Stuyvesant, deceased, of the lands therein devised to his four daughters, Judith, Cornelia, Margaret and Elizabeth, and therein described as his farm, called Landert's; and also his salt meadow, on the south side of a creek, called Stuyvesant's creek, which creek is the north boundary of the said salt meadow, and the south boundary of the salt meadow belonging to the farm, called the Bowery farm, be and the same is hereby annulled and altogether made void.

Lands vested in C. I. Bogert and P. A. Jay, in trust.

II. *And be it further enacted*, That the said lands and the hereditaments and appurtenances thereunto belonging, be and they are hereby vested in Cornelius I. Bogert and Peter Augustus Jay, ex-quires, and their heirs, to have and to hold the same, as joint tenants, and not as tenants in common, in trust for the purposes following, and for no other purposes whatsoever, that is to say: In trust, that the said Cornelius I. Bogert and Peter Augustus Jay, or the survivor of them, shall cause the said lands to be laid out in lots, and shall divide the same into four parts, as nearly as may be equal in value, due regard being had to any demises or incumbrances which may have been made of or upon any parts thereof, and shall convey one of the said equal parts to each of the said Judith, Cornelia, Margaret and Elizabeth, that is to say, to the said Margaret and Elizabeth, in fee simple, and to the said Judith and Cornelia, respectively, for life, with such remainders over as are mentioned in the said last will and testament.

New partition confirmed.

III. *And be it further enacted*, That such partition to be made in pursuance of the last preceding section of this act, shall be to all intents and purposes as valid and effectual, and shall have the same operation and effect, and no other, as if the same had been made in pursuance of the said last will and testament; and that the said Judith, Cornelia, Margaret and Elizabeth, shall have and enjoy the same interests and estates in the parts of the said land so to be respectively conveyed to them, as they would have had in the parts of the said land respectively allotted to them, by the partition heretofore made, in case this act had never been passed: And that the parts of the said land so to be conveyed to them respectively, shall descend and go in like manner as the proportions of the said lands de-

vised as aforesaid, by the said last will and testament are therein directed to descend and go; the only intent of this act being to substitute a new partition of the said lands in the place of that which hath been heretofore made: *Provided always,*

IV. *And be it further enacted;* That nothing in this act contained, shall be construed to defeat or impair any interest or estate which any person or persons may have or claim in or to any part or parts of the said lands, by virtue of any demise, conveyance or act, lawfully made or done by the said devisees, or any or either of them. The rights of any person to said land not to be impaired by this act.

CHAP. CLXIII.

AN ACT to authorise a new valuation of the real estates in the city and county of Albany.

Passed April 17, 1816.

WHEREAS it has been represented to the legislature, that the valuations of real estates in the city of Albany, made in pursuance of the "act for the assessment and collection of taxes, passed April 5th, 1813," have become unequal and unjust, by reason of the fictitious rise of real property which had taken place in certain parts of the said city, at the time the said valuations were made, and which guided the assessors in making the same, and the great changes which have subsequently taken place in the value of the said property; for remedy thereof,

BE it enacted by the people of the State of New-York, represented in Senate and Assembly, That there shall be a new valuation of the real estates in the city and county of Albany, to be made by the assessors of the several wards and towns in the said city and county of Albany, between the first day of May and the first day of July next, after the passing of this act, which said valuations shall be made in the same manner in all respects as the valuations which have heretofore been made in pursuance of the said act; and when the said valuations shall be so made and revised and approved of by the board of supervisors of the said city and county of Albany, as is directed in and by the said act, the same shall be considered the true valuation of real estates within the said city and county of Albany, and shall not thereafter be varied except where the value of any shall be increased by the erection of houses or by any other improvements, or where the value of any may be decreased by the destruction of any erections.

AN ACT to amend the act, entitled "*an act to incorporate the Ulster and Orange branch turnpike company.*"

Passed April 11, 1817.

WHEREAS the president and directors of the Ulster and Orange branch turnpike company, in conjunction with the owners of the lands contiguous to the route of the said road, and sundry other inhabitants of the counties of Orange, Sullivan and Delaware, have petitioned the legislature to cause a proportionate assessment to be laid on the lands materially to be benefitted by the making the said road, as the most equitable mode of creating a capital to enable the said president and directors to finish the same: *And whereas* the said petitioners have prayed that each owner of lands so to be assessed, should become a stockholder in the said company, for such amount as he may, by reason of such assessment, contribute towards the said road: Therefore,

Preamble.

I. *BE it enacted by the people of the state of New-York, represented in senate and assembly*, That the person administering the government of this state, be and he is hereby authorised, by and with the advice and consent of the council of appointment, to appoint three discreet and reputable freeholders of this state, not interested in the lands to be assessed by virtue of this act, nor in any lands, tenements or hereditaments to be benefitted or affected by such assessment, nor in the stock of the Ulster and Orange branch turnpike road, whose duty it shall be, as soon as may be after acceptance of their appointment, to make a just, equitable and proportionate assessment on all the lands lying adjoining or contiguous to the said turnpike road, and materially to be benefitted by said road, and not exceeding the distance of six miles, on either side of the route thereof, from the place where the said turnpike road crosses the Minisink

II. *And be it further enacted*, That the said commissioners shall make an assessment for each town through which the said road passes separately; and that the money raised in each town shall be expended therein, and not elsewhere, unless there remains a surplus after completing the road in and through the said town: *Provided however, and be it further enacted*, That in lieu of the payments aforesaid, it shall be lawful for any of the persons assessed, to make such road through his or their lands, or within the town in which his or their lands lie, under the inspection of the president and directors of the said company, so that the same be commenced by the first day of August next, and be completed within three years thereafter; for which such person or persons shall be allowed in his or their assessment, and in satisfaction thereof, at and after the rate of eight hundred dollars the mile, or such other sum as the said commissioners shall determine.
